- Maintaining volunteer records

GENERAL REQUIREMENTS

1. Volunteer Program Development

Volunteers may provide faith-based or secular activities to the inmate population. Facility heads, and/or designees, are responsible for determining the volunteers needed at their facility, including the number of volunteers facility resources can support. Due to staff and facility limitations, not all services can be provided to every inmate.

Facility heads may approve guided tours of their facilities so prospective volunteers can make an informed decision regarding their volunteer service before investing their time in training.

The following issues must be considered when developing the facility's volunteer program:

- Custody level of the facility
- Ethnic and cultural composition of the inmate population
- Recommendations from the facility and/or Prisons Division VRC
- Requests from inmates for specific services
- Staff availability to supervise volunteers and volunteer activities
- Support and resources needed for volunteer activities
- Support and resources needed for faith-based activities
- Support service opportunities

Recruiting Volunteers

VRCs, with their respective facility management teams, will establish partnerships with community agencies to recruit volunteers representing ethnic, cultural, gender, faith, and economic demographics reflective of the inmate population.

Volunteer Services

Volunteers deliver a variety of services including, but not limited to, the following:

- Faith-based activities
- Religious activities
- Self-help programs
- Vocation and education activities

2. Attire and Appearance

To ensure safety in the facility, volunteers must adhere to the following standards:

- Avoid dressing in clothing that matches inmates' state-issued clothing. Facility heads may approve volunteers wearing jeans in facilities
- Demonstrate good hygiene

Control Number: 606.02.01.001	Version: 6.0	Title: Volunteer Services in Correctional Facilities	Page Number: 4 of 14
-----------------------------------------	------------------------	----------------------------------------------------------------	--------------------------------

- No clothing that depicts gang affiliation, racial slurs, profane or obscene subject matter, tobacco or alcohol products, or any other type of contraband
- No provocative or revealing clothing
- No shirts or blouses with an open midriff
- No shorts or short skirts
- No tank tops, halter-tops, or see-through fabrics
- Shoes are mandatory
- Wear proper under garments

3. Volunteer Statuses and Categories

All volunteers fall within one of the four categories outlined below and must abide by the standards of their respective category. Volunteers may qualify for a status designation, in addition to the volunteer category, based on the standards outlined below.

Category

Mentor

A mentor is a volunteer through the Free2Succeed program. Mentors and the processes associated with mentors are not guided by this SOP, unless the mentor belongs to one of the other volunteer categories in addition to their mentor role. Mentors are required to abide by the standards set forth in the mentor requirements which can be found at: https://www.idoc.idaho.gov/content/prisons/volunteers_mentors/mentors.

Level-1 Volunteer

Level-1 volunteers require constant staff or Level-2 volunteer escort and observation. All new volunteers will begin their volunteer service as a Level-1 volunteer, unless they are under "Restricted Access" status.

Level 1 volunteers are required to attend New Volunteer Training, Facility Orientation, and Annual Refresher Training in accordance section 9. Training Requirements.

Level-2 Volunteer

Level-2 volunteers do not require staff escort or constant supervision while at a facility. Level-2 volunteers at a Community Reentry Center (CRC) may be approved to escort offenders to outside activities in accordance with *Furlough Program: Inmate*, 605.02.01.001.

To qualify for Level-2 status in a prison facility, volunteers must demonstrate an ability to work successfully in the prison environment and have at least twenty-four hours of volunteer service as a Level-1 volunteer. To qualify for Level-2 status in a CRC, volunteers must demonstrate an ability to work successfully in the CRC environment and have at least ten hours of volunteer service as a Level -1 volunteer. The facility head or designee must approve the move from Level-1 to Level-2 volunteer status for it to be effective. Volunteers may be required to remain at a Level-1 status, based on facility head or designee discretion as a condition of their volunteer service.

Facility head or designee may grant an exception to the twenty four hours of service requirement after consultation with the Prisons Division VRC. Circumstances that may

Control Number: 606.02.01.001	Version: 6.0	Title: Volunteer Services in Correctional Facilities	Page Number: 5 of 14
-----------------------------------------	------------------------	-------------------------------------------------------------------	--------------------------------

merit an exception include, but are not limited to, prior experience volunteering or working in another correctional institution.

Level 2 volunteers are required to attend Facility Orientation and Annual Refresher Training in accordance section 9. Training Requirements.

Limited-Service Volunteer

Limited-Service volunteers require staff escort and constant staff supervision while at a facility. Limited-service volunteers are volunteers who will enter the facility no more than four times per year for a special event. For example, a one-time guest speaker would qualify as a Limited-Service volunteer. Limited-Service volunteers must undergo a criminal background check and obtain facility head approval prior to entering a facility.

Limited-Service volunteers are not required to complete new volunteer training or the annual refresher training. Limited-Service volunteers may be required to attend an orientation provided by either the sponsoring organization or the IDOC.

IDOC staff may be approved as a Limited-Service volunteer on a case-by-case basis with prior written approval from the division chief or designee. Staff must submit a request to volunteer to the Prisons Division VRC.

Status

Clergy

A volunteer may be designated "Clergy" if they meet the following standards. Generally speaking, clergy is an individual officially representing a church or religious organization, one who may be ordained, licensed, elected or appointed by a governing body to perform a leadership role, or one whose main purpose is to provide direct, confidential spiritual guidance, and counseling to members of a congregation.

Those who qualify as clergy in accordance with this definition will be permitted to meet one-on-one with an inmate who is a member of their congregation to provide direct, spiritual guidance, and counseling. All clergy must still abide by the standards set forth herein and must be within one of the four volunteer categories as well.

The VRC will verify clergy designation and may require additional information from the potential volunteer.

Restricted Access

A volunteer may be given "Restricted Access" status. Restricted access requires staff escort and constant staff supervision.

Generally, potential volunteers with a significant criminal background may be granted restricted access. Approval from the facility head and Prisons Division deputy chief or Probation and Parole deputy chief is required to grant a potential volunteer restricted access.

The volunteer may request the removal of restricted access status. The request will be approved if the facility head recommends approval and Prisons Division deputy chief or Probation and Parole Division deputy chief concurs.

4. Identification (ID) Cards

IDOC staff will supply each volunteer with an ID card and will check volunteers in and out of the facility through the online volunteer tracking system in accordance with *Facility Access*, 510.02.01.001. All ID cards will be kept at the facility where the volunteer is approved and issued to the volunteer in exchange for the volunteer's driver's license, state issued ID card, or military issued ID card. Volunteer ID cards must be displayed on the volunteer in a clear and immediately visible location.

Level-1 and Limited-Service volunteers will be issued a generic visitor ID. Level-2 volunteers will be issued a green ID card that will display the volunteer's legal first name, middle initial (if applicable), last name, IDOC identification number, and photo of the volunteer. Level-2 volunteers who provide services at multiple locations will have a green ID at each location.

5. Approval Process

Volunteers are required to abide by the terms and conditions of the Volunteer Agreement, appendix B. All volunteers are required to undergo a criminal background check and receive facility head approval prior to entering a facility. In addition, volunteers must undergo a criminal background check annually.

Eligibility Criteria

To be eligible for any IDOC volunteer category, individuals must meet the following criteria:

- Eighteen years of age or older.
- US citizen or legal authorization to be in the country.
- Within the past three years, no adult felony convictions or incarcerations, nor any misdemeanor drug-related convictions, unless the Prisons Division deputy chief or Probation and Parole Division deputy chief grants an exception by approving the initial application for volunteer service.
- No outstanding warrants or pending criminal charges.
- Former IDOC employees and contractors must not have been terminated for cause.

Current IDOC employees may only qualify as a Limited-Service volunteer, in accordance with section 3, but are prohibited from volunteering in any other capacity.

Visiting Inmates

Volunteers can be an approved visitor of immediate family members, as defined in *Visiting*, 604.02.01.001. However, volunteers cannot volunteer at the same facility where they visit, unless specifically approved by the facility head to continue volunteer services and visits at that facility. Whenever practical, the Prisons Division VRC will reassign volunteers when a conflict occurs between visiting and volunteer services.
